ROCK BROOK WELCOMES KEN SCHIRRIPA, EXECUTIVE DIRECTOR

February 2023, Rock Brook is proud to welcome Ken Schirripa, an industry veteran with more than 25 years of demonstrated expertise in technology, infrastructure engineering, and construction management. As former CEO and President of Commsult, Ken and his team successfully managed the design and engineering of IT, Security and AV systems for clients in a variety of sectors including corporate workplace, financial, healthcare, pharmaceutical, education, hospitality and entertainment.

Mr. Schirripa will assume the role of Executive Director at Rock Brook where he will lead the low voltage team in servicing clients with their technology infrastructure needs. Ken's commitment to accountability, responsiveness, and project oversight affords him a stellar reputation within the industry.

President, Gregory DeMarco states, "Ken will play an active role in moving Rock Brook forward. His expertise and solid partnerships in the market will help strengthen our firm's position within the industry. We look forward to his valuable contribution as we continue to grow and evolve as a full-service, national, consulting engineering firm."
